

# Instructions for iPhone users to join 'Zoom' appointment with Clinicians

Prior to the meeting follow **steps 1-4** for initial one time download of the Zoom App. Follow **steps 5-6** once you receive a meeting invitation from your Clinician via email/text.

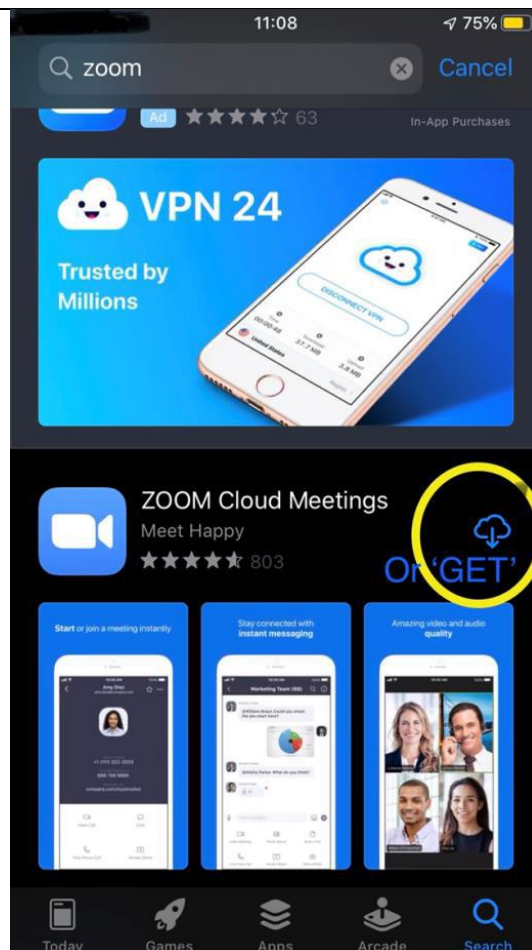

Steps	Description	Screen Shot
1	Access the 'App Store'	 A screenshot of an iPhone home screen. The background is a scenic view of a beach and a lake. The dock at the bottom contains icons for Phone, Mail (with a red notification badge), WhatsApp (with a red notification badge), and Chrome. The main screen shows a grid of app icons: Messages, Messenger (with a red notification badge), Calendar (showing Monday 23), Clock, Calculator, Notes, Instagram, and Reminders (with a red notification badge). The App Store icon is circled in yellow.
2	Click the 'search' icon	 A screenshot of the iPhone Today page. At the top, it shows the date 'MONDAY, 23 MARCH' and the time '11:07' with a 75% battery level. The main content is a 'Today' page with a featured article titled 'Apps for working and staying at home' from 'FROM THE EDITORS'. Below the article is a 'LIFE HACK' section titled 'Make familiar'. At the bottom, there is a dock with icons for Today, Games, Apps, Arcade, and Search. The Search icon is circled in yellow.

**3** Type in 'Zoom' and click on 'Zoom' (as indicated by yellow arrow).

Or click blue 'search' button in bottom right hand corner

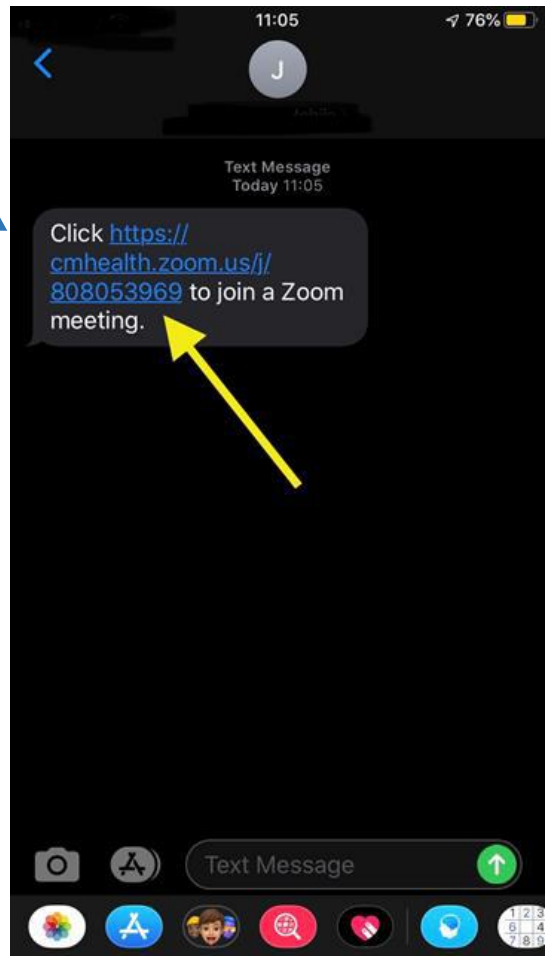

**4** Click the blue 'GET' button on the 'ZOOM Cloud Meetings' app. And login with your apple ID and password to complete download

5 Access email (as pictured here)

Or text message (as pictured below)

From the Clinician at the time of your scheduled appointment. Click on the link.

6 Next for the initial 'Zoom' set up follow the prompts to allow access to camera,

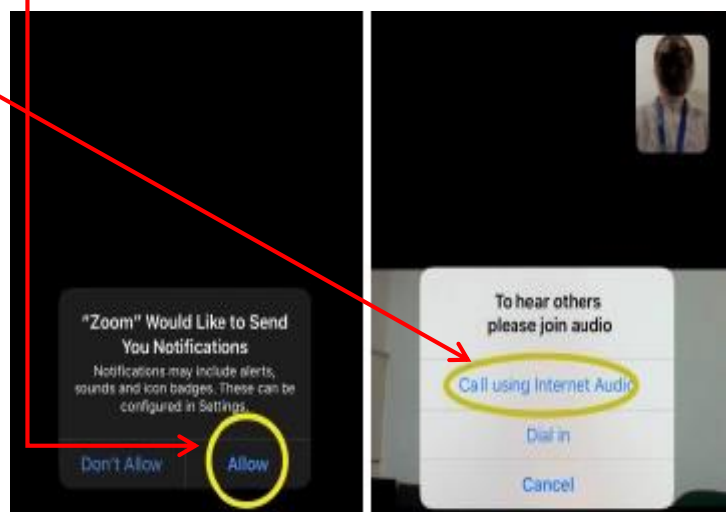

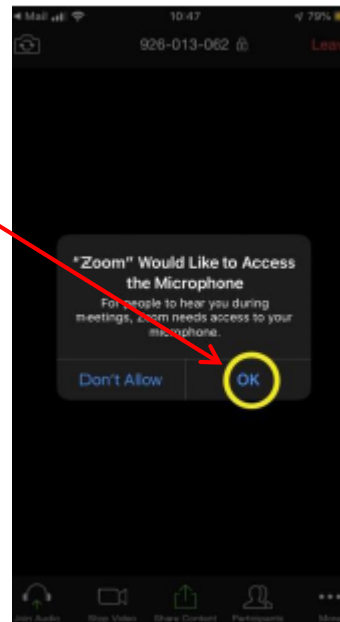

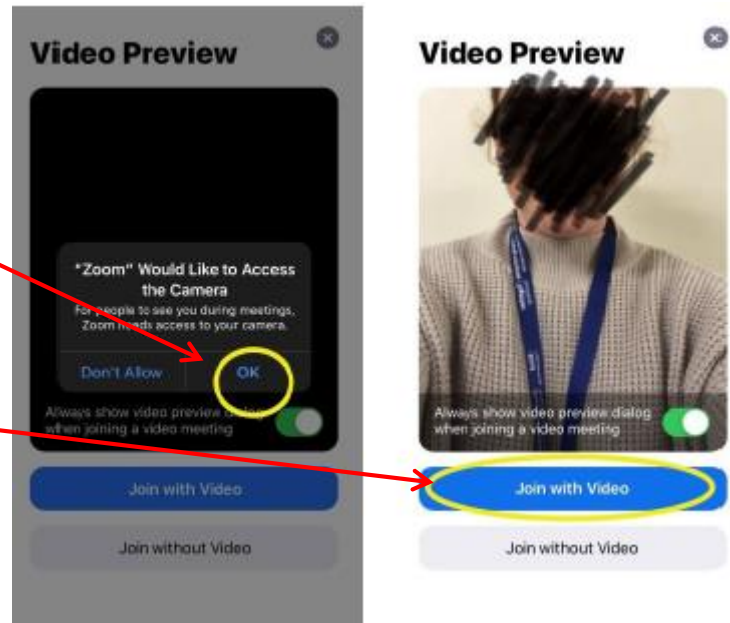

join with video,

access microphone,

allow notifications

then call using internet audio (as in pictures).

Then you are set up and ready to chat. The session can be ended by tapping on the screen and clicking the 'end' in the top right hand corner and then 'leave the meeting'.

# Joining Zoom Meetings – Invitation received via ‘Zoom App’ (After Zoom App download and set up):

## Option 2

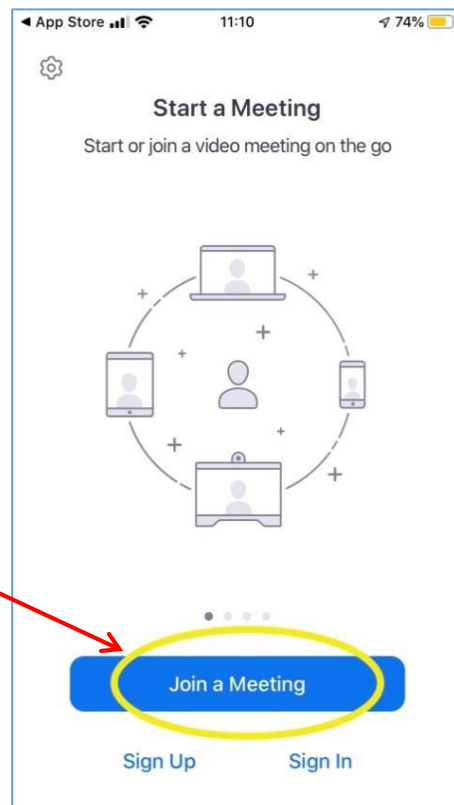

### Description

Click into ‘Zoom’ app

### Screen Shot

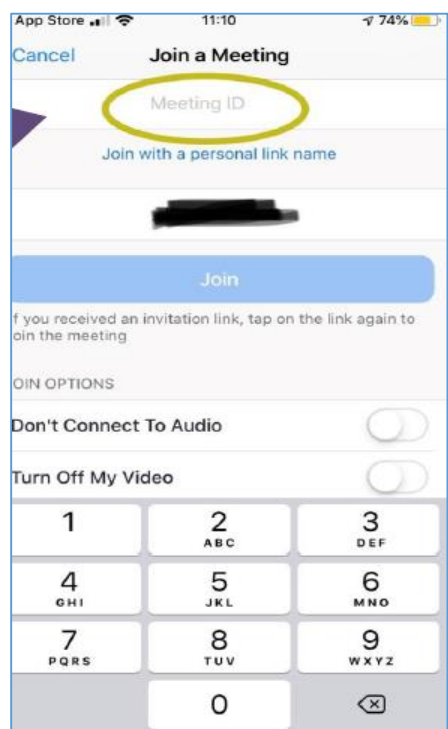

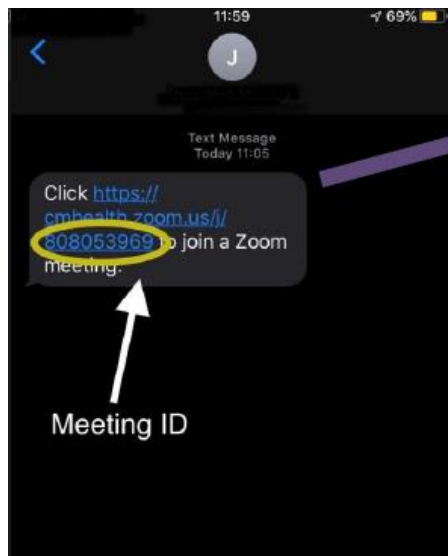

And then ‘join a meeting’

Find the 'Meeting ID' number from the text message or email received prior to each appointment (\*this link will be different for each appointment)

Enter this number into the 'Meeting ID' box in the 'Zoom' app and click 'Join' in 'Zoom'. Then you will be set up and ready to chat with the Clinician

**\*Include screen shots of live meetings, to explain functions eg mute button, camera, video/sound settings (pp Nikita 11.06.2021)**

**Blurb about settings:**

**Functions:**

- **Mute button**
- **Camera**
- **Video/Sound Settings**
