Dear Neha

I refer to your email below and letter dated 29th October, which followed your earlier letter of 23 July 2018.

Strictly speaking, Counties Manukau District Health Board does not have any subsidiary companies. However, for the sake of completeness we have asked the following entities, being associates and jointly controlled entities, to complete the self-assessment;

- healthAlliance N.Z. Limited (Associate).
- healthAlliance (FPSC) Limited (Joint Venture).
- Northern Regional Alliance Limited (Joint Venture).
- New Zealand Health Partnerships (Joint Venture)

All entities have confirmed that they have not engaged the services of the providers listed in your letter and have not reported any other arrangements of concern. Accordingly, we have nothing new to report.

We trust that this answers your questions satisfactorily.

Kind regards,
Dinah
